

We are seeking pet owners to participate in a study to assess the effectiveness of a longer course of post-operative pain relief in dogs undergoing cruciate ligament repair surgery.

All dogs referred for treatment of cruciate ligament rupture to the Small Animal Teaching Hospital, Leahurst will be considered for inclusion.

If a dog is included...

Your client will receive:

- £500 discount on cruciate surgery
- Free monitoring and screening

You will receive:

- £250 CPD voucher for any veterinary CPD course at the University of Liverpool

For the inclusion criteria and further information on the study please contact:
